MISS MARGARET D. FORDES

## Entertainments

**MISS STONE COMPLIMENTS MISS MITCHELL OF TUPELO**  
TUPELO, Miss., Aug. 8. (Sp.)—On Wednesday a very enjoyable affair was introduced into the afternoon hours, when Miss Myrtle Stone, always an attractive hostess, entertained with a novelty shower, in compliment to Miss Virginia Preston Mitchell, a pretty September bride-elect, this being the second of a series of pre-nuptial affairs in her honor.

A pretty arrangement of ferns and flowers was used in decorating the porch, where the guests were arranged for a game of progressive hearts.

When the guests had assembled they were presented with more cards, attached to which were little pink and green heart-shaped bags filled with rice and the quotation, "Keep these hearts with greatest care, to shower upon the happy pair."

After the guests were seated, ready to begin their game, Mrs. H. N. Mayes, of New Albany, Miss., read advice from the experienced players of hearts, in a clever rhyme.

After the game Miss Mitchell was invited to take the seat of honor beneath a large basket of flowers which afforded shelter from the shower of the many attractive and interesting packages which fell from a beautiful, large pink heart, borne into the presence of the happy bride-elect by a little Miss Tatum, bridged attractively in a little white satin cupid suit.

The colors pink and green were carried out in the porch decorations, the tables and the refreshments in detail completing the effective color scheme. Miss Mitchell was daintily gowned in a white organdie afternoon frock and hat.

**Birthday Party.**  
A delightful affair the last of the week was the children's party given by Mrs. J. H. Bino in honor of her little daughter, Ruth Rosamond, the occasion being her sixth birthday anniversary.

The children enjoyed games in which the prizes were won by Mildred Fortas and Hendon Schaeffer, after which a delicious ice cream and cake service was served.

The little honoree wore a dainty frock of pink organdie trimmed with ruffles, lace and ribbons.

**MISS BAILEY COMPLIMENTED AT LUNCHEON BY MRS. NOELL**  
Miss Virginia Bailey, whose marriage to Mr. August Bailey will be solemnized on Tuesday evening, was beautifully complimented on Monday afternoon when Mrs. Melburn Noell entertained in her honor with a luncheon at the Country Club.

Covers were laid for 20 on the elegantly appointed table, which had an unusually artistic centerpiece of lovely orchid dahlias arranged in a large basket.

For the occasion, Mrs. Noell, who proved a very charming hostess, was gowned in yellow georgette crepe, while the honoree was attractively gowned in dark blue satin with a becoming hat in harmony.

**In Honor of Visitor.**  
Mr. Will Blockman entertained with a moonlight picnic and hay ride Saturday evening in special compliment to Mr. Jack Block, of St. Louis.

Due to the inclement weather dancing was enjoyed at the home of Mr. and Mrs. H. Blockman. When the rain abated the guests who were present numbering 20, enjoyed a hayride, followed by a picnic and supper at Riverside park.

The chapters for the occasion were Mr. and Mrs. Morris D. Blockman.

## Announcements

**Wilkes-Kinnie.**  
The following cards announcing a wedding of interest have been issued: "Mr. and Mrs. John Robert Kinnie, announce the marriage of their daughter, Eva, to Mr. John Robert Kinnie, on Saturday, August 6, 1932, at Memphis, Tennessee."

The bride is a pretty Mississippian girl from McComb City, and Mr. Kinnie is a well known business man who is also popular in musical circles.

## CLUBDOM

### Scholarship Awarded.

The Memphis Intercollegiate association and the Central High School alumni have announced the results of the college entrance examination, held last June. The scholarships awarded to Miss Irene Johnston and Mr. Albert Duncan.

The Intercollegiate association has for many years offered annually a scholarship of \$500 to the applicant who makes the best average in the examination conducted by the college entrance examination board of New York. The questions are sent out by this board to points all over the country and the papers of the students taking the examination are sent back to New York for grading, the results being mailed to the respective examination centers.

Memphis is fortunate in having two of these scholarships of \$500 each, one offered by the Intercollegiate association to the student who makes the highest average, only those who have attended school in Shelby county for two of his four years of college preparation being eligible; the other by the Central High School alumni to the Central High school graduate making the next highest average. The Intercollegiate association had five applicants for the scholarship this year, two from county schools, one from the Tennessee State Normal school and two from the Central High school. When the papers were returned it was found that the two high school graduates had won, making exactly the same average. Since the averages were identical the two organizations agreed to divide the scholarship, thus giving equal honor to each.

Miss Johnston, who is the daughter of Mr. Charles D. Johnston, of the Central library, has decided to attend Washington University, St. Louis, Mo. Mr. Duncan, who is the son of Mrs. A. B. Duncan, expects to attend the University of Tennessee. He is the first boy to win one of the scholarships.

The Intercollegiate association also has a loan fund which is open to students who have taken the college entrance examination. Already several young people of Memphis have availed themselves of this opportunity, and the association hopes to aid many more in the future. Information concerning the loan fund may be obtained from the secretary of the association, Miss Ada Raines, of Raines, Tenn.

**COX BUSY ON PLANS FOR CAMPAIGN TOUR**  
Declarations of Policy Praised by Mail and Wire.

DAYTON, O., Aug. 9.—Preparations for his speech-making tour for the presidency kept Gov. Cox busy today while the Democratic vice-presidential nominee, Franklin D. Roosevelt, was being formally notified at Hyde Park, N. Y. The governor had hoped to attend the Roosevelt ceremony, but was detained here with his own affairs, and he also desired Mr. Roosevelt to have the center of the Democratic stage today.

Over Sunday mails and the telegraph today continued the messages of congratulation to Gov. Cox, praising his declaration of policies in his acceptance address of Saturday and endorsing the Cox-Roosevelt standard.

The first address of the governor next Thursday at Camp Perry, Ohio, in presenting the "governor's cup," a large silver handwork for rifle competition, is expected to deal with the league of nations and also rehabilitation of ex-service men.

In other addresses of his August itinerary, Gov. Cox will elaborate, his advisors state, on subjects of particular interest to his audience, like publicity and campaign contributions to the Indiana editors at South Bend, Ind. Affairs of interest to miners in his Pittsburgh speech, and agricultural matters to the farm organizations at Columbus, Ohio, Sept. 1.

That Gov. Cox and Senator Harding, his Republican opponent, soon will be in the thick of exchanges from their respective forums also is expected by the Democratic candidate's managers.

It was reported that a few days in August were held open for future bookings for addresses by the governor to give rebuttal to comment from Senator Harding and the Republican campaign on the governor's declarations in his acceptance and later addresses.

Gov. Cox tomorrow will go early to Cincinnati, a village near Trall's End, his home, to cast his vote in the Ohio Democratic primary.

## SCOUTS BUILD MOTOR BOAT FOR CAMP USE

Scouts at Camp Kai Kima, near Hardy, Ark., are building an 18-foot motor boat for use on the river near the camp, according to Field Executive A. L. Atkinson, who says that the motor for the boat was donated by one of the Scouts, and that every other part of the boat will be constructed at camp.

Executive Atkinson also says that all of the canoes at camp will be renamed this week, all being given Indian names, and that as soon as this is done, a big canoe race will be held. The miniature yacht race, which was scheduled for Saturday has been postponed until favorable winds prevail.

There was a Nature hike Sunday afternoon for Scouts who desired to take merit badge examinations in woodcraft and kindred subjects. While in camp, Scout Executive R. D. Crow has collected over 300 butterflies, with the assistance of the Scouts, and is mounting them. It is said that some of them are very rare, and that the local collection will be the envy of other Scout headquarters.

**HAND AMPUTATED.**  
Jack Collinskin, age 38 years, 114 Exchange building, an employee of the Memphis Paper company, was taken to the General hospital Monday morning where his right hand was amputated following an accident in which his hand became caught in a machine at the plant.
